Pacific Life Foundation

The Pacific Life Foundation accepts grant proposals from agencies seeking funds for programs and projects in the areas of health and human services; education; arts and culture; civic, community, and environment. Contributions are made primarily in areas with large concentrations of Pacific Life employees, including Orange County.

<http://www.pacificlife.com/About+Pacific+Life/Foundation+or+Community/Funding+Guidelines.htm>

St. Joseph Health System Foundation

Strives to improve the quality of life in the communities they serve. They believe, as a foundation, that they have a social responsibility to serve the poor, and they actively seek creative responses to the needs in each community.

<http://www.stjhs.org/communityoutreach/foundation%20care%20for%20poor.htm>

Samueli Foundation

The Samueli Foundation considers grants to agencies, primarily in Orange County, California, that serve the community in one of five major areas: Education, Health, Social Services, Spirituality & Interfaith, and The Arts.

http://www.samueli.org/program_areas.htm

UniHealth Foundation

An independent private health care foundation committed to becoming a pace-setter in healthcare philanthropy. While most of their funding is in Los Angeles County, they offer funding for certain areas of north and central Orange County.

<http://www.unihealthfoundation.org/indexmedium.html>

Weingart Foundation

Weingart Foundation will consider grants to assist agencies and institutions serving children and youth, the aged, the disabled, the homeless, the sick, the poor, or otherwise disadvantaged, and projects benefiting the general community. Preference is given to organizations providing services in the following seven Southern California counties: Los Angeles, Kern, Orange, Santa Barbara, Riverside, San Bernardino, and Ventura.
